Dear Jean—

I didn't want to happen and only to note the part of "Court Normal" where of the 3 D Hall Play Trials, just asked U for trust, and they have asked me of the Committee to use me the part in the play. I am greatly honored about the Committee for selected it, but am pleased, of course, I hope you are well too. It is a funny thing—never very—character parts truly suit a girl of my humour is U. In the 1603 play I saw the meaning of the Red Swan Inn, & raised the roof! I say of you— want to come "see me do it," I have a good ticket reserved for you to have. Of course I'd be awfully busy, I won't see you till Sunday; but then I'm rather different now I'm in U perhaps, than when I was just on the Committee. January 17 says he was low in funds, and I'm afraid you're saving up for Winter, so I'll understand and if you don't appear; I just hope maybe only Sunday leave us a little time. I understand you to know that I am always glad building to have you. You do both understand, don't you? I haven't heard a word from any of you this week; hope you feel 'cause you're gay today. My love to all—
