

3/ for the Easter holidays. I imagine  
my leaving you!

I must stop and "go cantering"  
i.e. take a splash - before  
the people come to tuck me  
in as they say they are  
going to in mass. I feel  
fine!!! never felt better! But  
I am worried about "5u".  
I am afraid you'll all  
be sick! No rest. Will  
write Pearl and Annie  
in a day or two.
