

My dear Elizabeth.

We rec'd your invitation to be present at the graduating exercises on June 9th, and thank you very much for the thought. Of course we understand about the invitation that seats have to be engaged a year ahead &c. otherwise it might be a temptation

to accept. Henry & Percilla Ward
have invited us to the Vineyard
and wanted us to go on the 9th
or 11th and we have written
we would start the 9th. He shall
think of you and wish we
could see and hear you.

I am sending a small package
by the same mail. Please send
the contents when you graduate.
Enclosed find check from
Claude Hill and myself. He
wants you to get something
with it that you can keep.
Hope you are not working

his friend. Still, the policy and your opinion
from it will be his guide, but we hope
you can manage not to be misled and
when you graduate. It may seem a
little hard to send me gifts, but wouldn't
it acknowledge the invitation and things
I would do with it now. How can you
you know that we hope the day will
be fine. Still you will be in good shape
and every thing will work to your
entire satisfaction. He was so proud
of you for receiving such honors.

With a heart full of love
from Uncle Will & Aunt Katie
