

My dear Elizabeth -

I am so sorry we
cant have the pleasure
of seeing Vassar for the first
time under such happy
auspices for neither Mr Speer
nor I have ever visited the
College. I cannot speak
for Mr Speer but I must

surely would accept your
invitation to attend the Class
Day Exercises - But - the Hull
School graduation calls us
to Pottstown over that very
date - Wallace's Commence-
ment is that week - Harten's
comes a week later -

Try let wishes for
this happy time - a solemn
time too, closing and opening
doors in life - Very lovingly
Your friend
