

Cassar College.

TREASURER'S OFFICE.

Miss E. C. Lapham

Dear Madam,

It is the intention of the College to soon send out a large number of Circulars & Catalogues. To reach the right parties it has been thought a wise thing to ask our Alumni to help us in the matter.

May I ask you as one of the Alumni to send me a list of names of such persons in your locality or elsewhere who may have daughters to educate, & who would be interested in such information as we should give in such a way.
