

Paradise Lost in a Nut-shell,  
- By a Vassar Girl -  
Angels + devils,  
Serpents + Sin,  
Eve, Adam, Satan  
All jumbled in,

Deluges, lightnings,  
Thunderbolts hurled,  
Seraphim fighting  
Over the world,

Conjugal lectures by  
Adam, thrown in

Great lakes of brimstone where  
Little imps swim,  
Lesions on lesions of

Stout Cherubin,

Discourse on optics —  
Notes astronomical,  
Chemical lectures,  
Theoria comical;

Spread through the book, as

This is the famous  
"Paradise Coat,"
