Vassar.

Dear people:-

Your letter with the money came all right. Thanks very much. I don't know that I shall need it. But its better to have it. I shall have to pay 5 dollars for a gym suit.

Please excuse this pencil Cora isn't well tonight and has gone to bed and I have no pen and don't want to go in & light the gas.

Nothing particular has happened. Have been busy. But has gone to bed until tonight at 9 o'clock every night

Ruth.
