Four full studies in advance are not allowed. With your private review of Rhetoric, you will have enough to do.

J. H. R.

Pres. Raymond,—

A word, please, about my studies.

I am Freshman in Algebra, French, and Latin, but am wanting in Rhetoric and Physical Geography. In the former preparatory study, I hope, if allowable, to pass shortly a private examination. In Physical Geography. would you be kind enough to assign me to a class? My recitation periods already given, are the second, fourth, and fifth.---

Respectfully,

Mary B. Robinson, ['76]
