

Dear Mother + Father:

I was glad to know that the call last night was nothing serious. sorry the line was bad.

Debate tryouts 7th hour. I worked on it all morning - that is, 2 1/2 hor. It is quite a rush. I didn't think tryouts would be so soon.

Must hurry to work up my speech. Just ate with the girl who was checked to arrange our side. She is an all A senior, debates of last year! Goodbye, F!

Love,

Fannie
