Dear Mother, Father, and Pete: ' ^

I am sorry that I could not write to you to Philadelphia, but I would have had nothing to say anyhow. I had to burn the midni-ht oil last iiisht. I did not do it out of desire, but t. there v/as some v/ork for today that si iply' had to be turned. Bo I worked till eleven-thirty. That sort of thing does not hurt particularly, unless you acquire the habit, and I don^t expect to acquire the habit.

I have debate tryouts tonight again. I shall have to Y/ork all afternoon on my speech, a a I .was' given a new stand, a,nd I don't happen to have much definite knowlege or statistics on it.

Nothing particularly exciting happened in classes tonight.
