Dear Mother + Father:

Nothing new to report. Lab this aft. + debate practice tonight. Feel perfectly all right again.

Mother - I don't want any more p. made - I like b's better, but have 6 silk pairs in good condition.

Rec'd. telegram. Thanks. Will act accordingly.

I read "Main Street" in the inform., Mother. The craze for reading it has been going like wild-fire. I don't think it's worth reading. It's much too long-drawn out, and does not get you anywhere in particular.

Love

Fannie
