

Dear Father + Mother,

Mlle. [Champy] is telling [each indivi] - dual member of the class about the mistakes in their last papers. The [less] I listen the [less] apt I'll be to make mis-takes.

I have all my work in good order for today, so I ought not to suffer from the great time I had.

I took a [take out] with two others. It saved lots of time and we got back by nine-forty.

I got my math done over again on the train going up.

Back at work again for ten days!

Love,

Fannie

Glasses case, Mother.

Also, you did not give me the list. Will you send it, please?
