Poughkeepsie -

Mother, dear -

You'll probably see in the paper (if you look) so I might as well tell you I broke the record at Indoor Track meet for Swing Jump. It was seven feet, 1 $\frac{3}{8}$ inches - and I went seven feet 5 $\frac{1}{2}$ in.

When I reached here Friday, I went right over to the gym and practiced up a bit, so that most of the lameness was gone out of my muscles (that is not mustache - it's M U S C L E S.) [up arrow written above the word "muscles"]

Alumnae Play Sat. evening was fine. Inez Mulholland had the leading part in "Nance Oldfield" and was splendid! My Glee Club did very well, and I was mighty proud of them.

Today being Town Time-day, and consequently - no chapel - I haven't been out at all - it's a howling storm - I suppose you're having it, too - My little northern exposure room gets a bit chilly at times - but

I'm not suffering!

Freddie came up for breakfast this a.m. We had grape-fruit, real cocoa, and [canned] cherries plus some college-rolls one of the girls brought us. I still have German to do - so bye-bye, am practicing like the "dooose" these days - oh! The pursuit of music is no idle dream! Muriel
