

My dear Stella

Only one round today - it was nno good and I am tired in consequence. Your letter + [pk] came today. It seems to keep one busy no matter what one does!

Fan is banging away on her typewriter + is gaining in speed. She ought to be able to play Tuesday. Poor kid - you can imagine how she likes to be [cheated] out of her golf.

She keeps [employed] + in a good humor. We followed a match for 4 holes today. That is all the walking she did.

I [teard] from papa today (L[J]A). Its colder but still pleasant. Is the medicine you sent "your cold medicine? Love from
