

Oct. 30.

Dear Father + Mother,

I am sure I'll get time for a letter tomorrow. I played tennis after lunch - I must work on the English com-mittee now.

I am getting tired of work. I am looking [forward] to seeing you, Mother. I got a commence-ment present from [Howe St.] today. Another note to write. I did not get time to see about your tie, Father.

Love,

[Fannie]

This letter is very missent. I shall write you tomorrow. Love,
I sent you the French dictionary
