

Dear Father + Pete

I just came back from the L'Aiglon tryouts. I don't think I had a chance.

I got a letter from Dr. F. enclosing one to get permission for me to come to N.Y. Saturday. I suppose Aunt B. will meet me - I'll write her.

[More] snow. We cer-tainly are having enough. I got 5 letters from Mother yesterday.

I have [as] extra work a [Conimen] to be read in French + a history topic. I'm going to work on Savanarola.

Love,

Feb. 10 [Fannie]
