

Oct. 4.

Dear Mother + Father,

Received 2 letters from you, Mother, + 1 from you, M.A, this A.M.

We had our first Ec lecture in Assembly Hall this morning. Spanish still travels at the rate of a mile a minute. I certainly was strong in expecting an easy course. I have to read another [churad] book for tomorrow. Just came from chem lab + discovered, that we had not! Hurrah! I have to get up a 3 minute speech for English Speech tomorrow.

Love,

Fannie
