Dear Mother, Father, and Pete:

Speakers' Bureau Committee entails planning the meetings of Speakers' Bureau, and directing meetings, (acting as critic of the evening). It is no very stupendous job.

I have to do some work for costumes for Sph. Tree Ceremonies today. I didn't write that I was supposed to be in the mob for Thirda[sic] Hall but dropped out when I was feeling so punk because I was afraid of the rehearsals on the damp ground at night.

Had a letter from Grandpa today.

Love,

Fannie
