

Thursday.

Dear Mother + Father:

Am managing to [get] thru with my work all right, but it is keeping [megting]. I celebrated last night by getting an extra long sleep.

Am going to lab today from lunch till 4. AM then going out to the Dobson state to see Edith Wynne Matthison in "Electra". It is a gorgeous day.

Carolyn B. told me that she, her mother, and father called on [you Friday.]

Otherwise nothing new.

Love,

Fannie
