

Nov. 6.

Dear Mother + Father:

I wish I had time to write a letter - but I have mountains of work, some extra required lectures, Junior Party rehearsals + endless debate rehearsals.

The speakers were picked yesterday - McDonald, Barclay, Aaron. [The] soph's definitely refuse to change the date from Sat. night. So the game is all off. I'm sorry, but there's not to do about it.

We [inotold] in last night. It was great! Took the 7:45.

I tried to raise W. Union last night to wire you, but couldn't get them. The [office] here closes at 10. So I wired this morning.

Love

Fannie
