Dear Mother, Father, and Pete:

"A kingdom of priests and a holy people". Yea, forsooth, verily, nay, moreover.

You may not know what this means. It means that I am very busy. "I am very busy" is the clause most frequently used by me in these days, and "A kingdom of priests and a holy people" is your favorite expression, Pete, therefore they must mean each other.

I spent three hours more on my psych topic last night, and just about finished it--that is about three more hours.

Love,

Fannie
