

Dear Mother:

I tried the Class-day dress on again last night. The neck is quite a bit too big. I had tho't before that I'd wear it [this] way + let her fix it when I get home, but I decided last night I could pin it and send it home to be fixed. Ask Miss S. + I'll do whichever you [deside] but RS.V.P. right away so I'll get it back in time. It merely needs taking in, + I could pin it just the rt. am't.

Love,

F.

Please send in laundry some of my home washcloths. I am very short + have been for a long time.
