

Dear Mother + Father:

I feel better today - my head still feels a little "[Ruder]", but ought to be all right by tomorrow.

Nothing new.

Exam studying starts today. in earnest.

Had another letter from Henri-etta. It's [fuial] - expecting me at 1:10 Wed. on the three-train from N.Y.

If you're staying over, could you get my ticket + chair for me. R.S.V.P immediately. If you don't, I'll order it from here.

Love,

Fannie
