

Dear Mother:

If possible, could you have these lenses made for me + I'll get them Sat AM + new frames. This is my summer (+ fall) presentation. I've had a headache every day since I'm back + it is not due to bowels. I'll try this as a cure. I'm going to drop a course, too.

In haste for mail.

F

If you can't go out. I can [probably] get them Sat myself
