

Underwear not yet here. Please send beaded bag in laundry - shall give it to Helen for commencement.

Also - in my dresser drawer in little box ([either rt] or left drawer) you will find my gold locket chain. Please put it in laundry as I should like to wear my D.S.R. key on it as a bracelet. Put it in if you have time.

When I'm pres. of a college, I ain't gonna have no exams - life's too short!

Please bring along a duster for me - I [have one coat]) at [home]

Nothing new--studying for exams--eternally.

Love,

Fannie
