

Dear Father + Mother:

[Trunks] aren't here yet. but I've about gotten an order as much as is here.

Loafed all day yesterday. It surely seems funny to be a Senior! Convocation was not a bit impressive, strange to say. Prof. [Nettleton] looks as tho he'll be very good. You ought to see little me in cap + gown!

Going to town [this] aft. I think.

I surely was glad to get in a class of Miss Ellery! Again - [altho] I don't [think] I'll like Renaissance as well as French Rev.

send "Mont St. Michel + chartre" please. <[Dr]> in laundry first time, I'll let you know about the box later. Love, Fannie
