

Dear Mother + Father:

I feel fine today. My cough is loose + my head is clear.

Dr. T. was just in. She was very garrulous. She says I can get up this aft. at 4 o'clock + sit in the parlor. Thrills!

Just discovered that the girl just came in this ward lived in Pgh. till last year and went to Peabody - her name is [Helen Morgan.] She had a sister in Pete's class who went to Wellesley.

C. Mildred Thompson has grippe too. so I'm not missing any Am. history. Dr. T. says I may be out tomorrow.

Love,

Fannie
