

[Addressed to Hotel Traymore]

Dear Mother, Father, and Pete:

I spent the entire day yesterday, except for one class, working on debate I feel as if I have done practically all the reading necessary on the subject!

Bish and I are going down together on the 5:08. The rest are going earlier. We shall all meet at the Pa station.

I'm off for a shampoo now.

Love,

Fannie

April 13.

Give my love to Henrietta.

Will Lucy want a room for Saturday night, too. I prefer not having her sleep here.

I shall be at Florence Clothier's, Wynnewood, Pa.
