Dear Mother -

Just a baby-note to say that I'm not going to bring Freddie home this week-end (her Mother is coming) - and will go back Friday as usual. It poured all Saturday, so '14 couldn't go to Mohonk and postponed it till next week-end. I made the hockey-team, much to the joy of all my friends (and myself).

It has poured for four days and we're getting desperate - have a class in 6 minutes -

Bye -

Muriel.
