Typed transcription of postcard.....

Dear Family, Jean's arrival kept me from writing you a letter, but this is to tell you that she arrived safely, and that Julia Lovejoy is President of Students. The only thing that I am sorry about is that I've disappointed you all, but it is in a good cause! Elizabeth Worcester and I had grand drive on Saturday afternoon and we evidently did it "just in time" for it is pouring torrents today. I'll write later --  
Lovingly Margie
