

Dearest dad,

Here is my doctor bill. Considering that it includes a vaccination, three bottles of tonic, and six or seven calls it is very reasonable though I'm sorry it is even as much as it is. I think you had better send me some more money pretty soon as the \$7 received from you on May 3rd is almost gone. You see \$4.25 went up in clothes, and the rest in

books, stamps, car fare, tooth brush and other necessities, laundry to be included, and only \$.20 have I spent for eats during all that time! And I have at present \$.15. Next year when I'm on the campus it won't be so expensive for laundry is included in the \$400 per year.

Well maybe I'm not anxious to see you! Its not very long now till that time will come. I hope your rose fever

will be over by that time if it isn't by now.

Well bye bye daddykins

Oceans of love
