Dearest daddykins

Your letter and the money arrived safely this afternoon. And so sis got off all right did she? I do hope she'll have a good time in Washington

and I'm sure we'll have a good time when she comes here. I think I'll have a tea for her, won't that be swell? And she can meet all the people that way whom I'd like her to know. I've gotten her a room at Mrs Whitlock's so I think she'll be very

I'm sorry sister's letter didn't get to her before she left. Did you send it on to her? I told her about our dressing up in colonial costume for Washington's birthday. Ruth and I had some kodak pictures taken of ourselves which I'll send you as soon as they are done. I got a little train letter from sis to day which I'll have to answer now, so farewell daddy till Sunday.

Slews of love

Peg.
