

Friday afternoon

Vassar College,

Poughkeepsie, N.Y.

Dearest Daddykins,

You're an angel! The money came all right and I'd write you more if I weren't just starting out for on a sleigh ride with ten other girls, but

my best note paper must stand for something, till I write you a letter on Sunday -- next week at this time I'll be on the train going home! Got a nice postal from Dora this morning

Slews of love

Peg
