

1911?

Friday [...].
Mar. 17th
St Patricks

Dearest mother; -

I just remembered this is St. Patrick's -

The storm Wednesday was not local - we had it too - the cold still asts. The gale of 60 miles an hour ceased with last night's sundown -

Your coat which is very good looking - with

underware etc- came yesterday, also Daddy's apparel which quite pleases him.

Grandmother says she hasn't written you for she expected you home last Sat. night - your [...] allotted time, and has not [known?] since what your address was. She has been looking daily for your needles for her by express!

There is a [...ss?]- supper at the church

tonight which as Mrs. Beginty is here, is the most strenuous exercise for me for the day.

We had a letter from you yesterday and [m...?] [...e?] this A. M.

Grace writes that Isabelle is not any better - I was terribly sorry to hear it -

Have just as good a time, just as long [crossed out: a time], as you possibly can! We are getting on famously and hope you will wait till Grace comes.

With best love,
M'g't -
