Biographical Note

The three parts of the McKinney Family papers are the Jean Webster Papers, the Samuel Clemens Papers and the McKinney Family Papers. The common thread amongst these groups of materials is Jean Webster. She was the grand niece of Samuel Clemens, and became part of the McKinney Family when she married Glenn Ford McKinney (see the McKinney chart below).

Glenn Ford McKinney was the son of John Luke McKinney (co-founder of Standard Oil) and Ida DeEtte Ford. Ida and John also had a daughter, Ethelyn McKinney, a member of the Smith College Class of 1895.
