Biographical Note

Virginia B. Smith was the eighth President of Vassar College. Before coming to the college, she had built a formidable reputation as an economist, attorney, and leader in higher education. She was born in Seattle, Washington, attended the University of Washington as well Columbia University, and worked for a variety of organizations and institutions, including the University of California, Berkeley; the Carnegie Commission on Higher Education; and the U.S. Department of Health, Education, and Welfare's Fund for the Improvement of Postsecondary Education (FIPSE).

Scope and Content Note

Materials related to the work of the Vassar College's Office of the President during the tenure of Virginia B. Smith. The collection includes typical day-to-day administrative records, as well as documents related to noteworthy issues and events from the Smith Era (1977-1986). Topics include divestiture from South Africa, student protest over an invitation to William F. Buckley, Jr. to speak at Commencement, the expansion of the manuscript collections in the Library's Archives and Special Collections, and one of the largest capital campaigns in Vassar's history.
