

WILLIAM BUCK DWIGHT

1833 - 1906

The Committee appointed September 24, to draw up resolutions regarding the death of Professor Dwight presented the following:

Whereas: William Buck Dwight, whose death occurred on August 29, 1906, has been identified with Vassar College as Professor of Geology and Mineralogy for twenty-eight years, serving the College with loyalty, enthusiasm and efficiency, and

Whereas: by admirable traits of character as an instructor and as a man, he maintained the trustful respect of his pupils, the sincere regard of his associates, and the confidence of all who have been most deeply interested in the welfare of this institution, therefore

Resolved: that we, the Faculty of Vassar College hereby testify our appreciation of the character and work of Professor Dwight and our sorrow for the loss of an honored associate.

Resolved also, that a copy of this minute be sent to the family of Professor Dwight, as an assurance of our sincere sympathy in their bereavement.
