

HENRY VAN INGEN

1833 - 1898

The Committee appointed to draw up resolutions upon the death of Professor Van Ingen made the following report:

Whereas: in the death of Henry Van Ingen who for thirty-three years was head of the School of Art and Professor of Art in Vassar College, and was closely identified throughout this period with its life and varied interests, Vassar College has lost an officer whose efficiency, whose sterling qualities of mind and heart, whose uprightness and manly strength, whose cheerful and healthy interest in all relations of life and whose personal affection for his coworkers have rendered his services of the highest value and have made his loss of no ordinary character:

Therefore, be it resolved: that this Faculty hereby express its sense of great personal loss, and its sympathy with the family which has been so sorely bereaved.

Also resolved: that a copy of this resolution be sent to the family.
