

HENRY VAN INGEN

1833 - 1898

Whereas: We, the members of the Vassar Club of Detroit, feel the irreparable loss, sustained by the College in the death of Henry Van Ingen, for so many years head of the Art Department and friend and adviser of the students -

Therefore, be it resolved: that we express to the Faculty our sense of deep personal loss in one who gave us so many impulses toward "the right the true, the beautiful and the good", and our sympathy with them in this bereavement.

Likewise, be it resolved: that a copy of these resolutions be sent to the Faculty.
