

WALTER D. WHEELER

1829 - 1895

Whereas by the death of Walter D. Wheeler Vassar College has lost an officer whose long and faithful service, whose kind and obliging spirit have endeared him to the officers, alumnae and students of Vassar College during the entire period of its existence:

Therefore, be it resolved that this Faculty express its sense of personal loss at his death and extend to his family its sympathy in the midst of their affliction.
