

Glenwood, Saranac Lake N. Y.
22 July 1936

Dear Nathan,

The letter to Thomas Mann is enclosed. I approve of your suggestions regarding Boris Schwarz; it's all right for you to mention his name. Please briefly let me know to whom he should apply upon his arrival.

I have no special mediation preferences in Europe. Unfortunately, I don't know Robert Cecil at all, Léon Blum only superficially. I enclose introductions to both for you.

Cordial regards,

Yours,

A. Einstein.
