

15 December 1942

Dear Nathan,

I read Edman's article and once spoke at length with the author at Lehmann's. Basically, in my opinion the man is right. But I find the article subjective and vindictive. Criticism is good when one sticks to the facts and says exactly what one finds objectionable. That, however, is what I wholly miss here.

In hope of seeing you here soon, I send cordial greetings,

Yours,

A. Einstein.

[TLS. On embossed letterhead: "A. Einstein, 112, Mercer Street, Princeton, New Jersey, U.S.A."]
