If we, the people say NO to war

THERE WILL BE PEACE.

- We demand the outlawing of the atomic weapons as instruments of aggression and mass murder of peoples.
- We demand strict international control to enforce this measure.
- We believe that any government which first uses atomic weapons against any other country whatsoever will be committing a crime against humanity and should be dealt with as a war criminal.
- We call on all men and women of good will thruout the world to sign this appeal.*
