Dear Sir

These with my humble respects to you and yours. I will make free to inform you of my conduct since I came into this contra I immediately after leaving you I came to this place and from this to Buffalo Creek in company with Gen. Chapin and Capt. Hendrick according to your directions and instructions, and while we were at Buffalo Creek the Indians that went to Philadelphia calls a Council at that place of those Indians that sot on their seets to inform them of their preseedings while in Philadelphia the Indians sent- for Mr. Jones to attend the Council fire he accordingly attended the Indians would not let Gen. Chapin nor me return untill the Council fire wane cotild we explain all the writings that thay brought home to those that

sot on their seets thay was very much pleased with thair preseedings and

after the Council the Indians all apeared to be wall satisfied frindly and united we weare obliged to give the Indians many presents on the account of their going to the westward with a message from Congress we expect them back in three weeks. I add no more but am Bear Sir your frind and humble servant
