

Buffalo 27th April 1813

Sir,

Presuming from your Letter to Mr. Granger that you have by this time reached your own house; I wish you to inform me whether any permission has been given by Government for the employment of the Indians. If there has, not time is to be left in giving an Invitation to such of the Warriors as have fire Arms to join me at Lewistown. Could you be with them to keep them in order it would be advisable. Be pleased to let me hear from you immediately--

I am

Sir

your hum Serv.
