Dear Mr. Vladeck:

Thanks for your letter of March 14 and for sending me a check of \$30. I take it to be a typographical error that you wrote the check would be payment for six months. If I am not mistaken, the original arrangement was that *weekly* payments of \$5 would be made.

I was interested in hearing that the drive of the Jewish Labor Committee started last week. I would very much like to see you soon and to talk things over with you.

With kind regards, I am

Sincerely yours,

Otto Nathan
