To Mr. Kurt Battsek
11 Finsbury Square
London E. C. 2

Dear Mr. Battsek,

Many thanks also on behalf of Einstein for your prompt telegram. I wrote to Miss Nike today as per the enclosed letter. I intentionally made the remittance entirely in my name so that Einstein's name cannot under any circumstance be mentioned and therefore cause the poor woman any difficulties. I am sending you the copy just in case you should deem it necessary to contact Miss Nike again yourself and inquire about the execution of the remittance. Einstein now wants to make regular use of this means of delivery. According to the latest news, Mr. Lebach is still under arrest.

Regards to all of you in great haste,

Yours,

Otto Nathan
