

[Oct 31, 36]

Dear, good Dr. Nathan,

Sincere thanks for helping us. Do you agree with Hans's proposals?

He's in the midst of it all and is well informed.

I was unable to see Käte R. I'm sad about that. I liked her so much, over there. Maybe I shall still see her yet.—Pardon this jittery scribbling.

[ALS. Folio, p. 1.]

Am still a cripple.

In advance, thank you for all your kindness.

Most cordially yours,

Elsa Einstein.
