

[end of Dec 1941]

*This Book Belongs to*

Dr. Nathan, who will hopefully not have all that much to write in here, so that he still has enough time to gaze at the blue sky and the stars

*In case of accident please notify*

A. Einstein Mercer Str. 112 Princeton

as one otherwise gets to see so little of him and so briefly.

[AD. Verso of title page of diary. A. Einstein's handwriting in German on printed page.]
