

To Red Jacket, John Fop, John Bluesky Cornplanter, David Sky, Capt.
Jemmy, erter Bldwin and Bigfriar,
Since you were here I have seen Mr. Bingham. He thinks that the
General Council of all the Six Nations have not resolved that they
will not have a missionary at Tonewanda, as you told me – He says that
your great council will meet in a few days. If so I would advise you
to be quiet until after the council meets.
Mr. Bingham says, that if they resolve that they will not have a
missionary at Tonewanda he will immediately go away -----
